Home (include area code) Cell # (include area code)

I am seeking admission to the Occupational Science Program for: Year: _____

Please check prerequisites completed. If a substitute course was authorized, please list the course and where it was taken on the form. If a prerequisite has not been completed, please indicate if you are currently taking it or where/when you will be taking it.

Class	Completed?	Equivalent/University	Semester/Year	Grade	Repeat?
BIO 171 Human Anatomy					YES NO
BIO 301 Human Physiology					YES NO
STA 215 Statistics or equivalent					YES NO
PSY 200 Introduction to Psychology					YES NO
HSA 200 Medical Terminology					YES NO

Health Sciences Reasoning Test (HSRT)	Date Completed:	Score:
----------------------------------------------	-----------------	--------

In conjunction with the above specified course work, you must have earned a minimum of 60 credit hours of education and have a minimum of a 3.0 GPA.

The following must be submitted with your application:

1. A copy of your Degree Audit from Degree Works
2. A copy of your unofficial transcript report from ECU Direct, or if you are a transfer student, from your University, by the last day of May. This includes the current spring semester.
3. Letter of Application to the Admissions Committee. In 2-3 pages respond to the following question:
 1. Why do you want to enter the Occupational Science Program at ECU?
 2. What leadership abilities do you have to offer that would enhance the Occupational Science Program?
 3. Why should you be selected to enter the Occupational Science Program?

Please also see page 3

STUDENT UNDERSTANDING

I understand the following (please initial each):

1. _____ Admission to the Occupational Science Program is competitive and the number of students accepted is limited
2. _____ I have completed/will have completed all 5 prerequisite courses with a C or better by May in the semester preceding the Fall semester start of the OS program
3. _____ I have earned/will have earned a minimum of 60 credit hours at time of application
4. _____ I have/will have a minimum of a 3.0 GPA at time of application
5. _____ I have completed the Health Sciences Reasoning Test (HSRT)
6. _____ Acceptance into the Occupational Science Program does not mean that I have been accepted into the Eastern Kentucky University Masters of Science in Occupational Therapy program
7. _____ I must meet all the professional/behavioral requirements and expectations of the Occupational Science/Occupational Therapy department (Academic integrity, Departmental Code of Behavior, University Honor Code, etc.). Failure to do so can result in dismissal from the program
8. _____ In order to be considered for the Masters of Science in Occupational Therapy program, I must have a minimum GPA of a 3.0; have completed the admissions process by February 1
9. _____ A criminal record may make me ineligible to take the national certification examination and/or licensure or state certification for practice. Students with such a history should contact The National Board for Certification in Occupational Therapy www.NBCOT.org and relevant licensing or certifying bodies prior to enrollment to determine their situation
