

OTS 365S ELECTIVE

"Are you seeking meaningful service?"

**Learn while working with community based older adults
experiencing memory problems**

Are you interested in advocacy, learning how to interact with a client with memory loss or a family member seeking information? Are you seeking professional skill development in communication or community program planning? OTS 365S is an on-campus interactive learning environment where you will learn the "Best Friends' Approach to Alzheimer's Care" and get an opportunity to develop your skills 1:1 , under the supervision of a faculty Occupational Therapist with expertise in dementia care. OTS365S meets fall semester only, Fridays 12:30-4:30. Have fun while you offer community service. Bring your skills, interests and knowledge to share — be prepared to sing, dance, craft, and play. Advocate by raising awareness and dollars for Alzheimer's Research. Check it out and find out why its known as

"The Place to Be".
